DOMINION ORDERS IN COUNCIL.

[23/2200]

NOTICE.

Certified Extract from the Minutes of a Meeting of the Treasury Board, held on the 23rd October, 1919, approved by the Deputy Governor-General in Council on the 27th October, 1919.

INTERIOR:

THE Board had under consideration a memorandum from the Honourable the Minister of the Interior, reporting that the Canadian Pacific Railway Company has made application for right-of-way for a pipe-line for a water-supply at Twin Butts, B.C., being part of the West Half of Section 9, Township 24, Range 21, west of the 5th meridian, and containing an area of six hundred and forty-seven thousandths of an acre, as shown on the plan attached to the above-mentioned memorandum under date of the 16th October, 1919; that the pipe-line was completed in the year 1913 and has been in use ever since; that a Homestead Inspector's report, dated the 9th May, 1919, shows that the land through which the pipe-line passes is

of no agricultural value and that he considers \$5 an acre a fair valuation of the land; that the Agent of Dominion Lands at Revelstoke recommends that the application be granted; that the land applied for is available and has been surveyed and the work approved by the Surveyor-General; that the company has filed with the Department of the Interior a copy of the official certificate of a grant of the water rights at this point in its favour.

The Minister therefore recommends that the Canadian Pacific Railway Company be allowed to purchase the above-mentioned land at \$5 per acre.

The Board concur in the above recommendation and submit the same for favourable consideration.
